**Exhibit A to Master Lease Agreement
Terms and Conditions**

These Terms and Conditions apply to all Leases (as defined below) entered into pursuant to the Master Lease Agreement (the “**Master Lease**”) between Vac2Go, LLC (“**Vac2Go**”) and the party identified in the Master Lease as the “**Lessee**”. Pursuant to the Master Lease, Vac2Go agrees to lease equipment and/or vehicles (collectively, “**Equipment**”) to Lessee from time to time subject to and as evidenced in one or more lease agreement (each, a “**Lease**”). Each and every Lease shall be made pursuant to and subject to the terms and conditions set forth in these Terms Conditions:

1. Each Lease becomes effective with respect to each piece of Equipment on the date the respective Equipment is tendered by Vac2Go to Lessee or 24 hours after the date Vac2Go notifies Lessee that the Equipment is available for delivery, whichever occurs first. This Agreement will continue for the longer of the term specified in the Lease or for so long as Lessee has possession of the Equipment, constructive or otherwise (the “**Term**”) unless terminated earlier as provided below. Lessee shall be liable for all charges throughout the full Term even if any Equipment is for any reason returned to Vac2Go or if Vac2Go takes possession of the Equipment prior to the expiration of the Term pursuant to the terms herein.
2. Lessee shall be responsible to Vac2Go for any and all losses or damage to the Equipment, excluding normal wear, tear and depreciation. Lessee shall not remove any of the Equipment from the lower continental United States (e.g., the lower 48 states excluding Alaska) except with the prior written consent of Vac2Go.
3. Lessee shall not be responsible for latent defects to the Equipment.
4. The Equipment is owned by Vac2Go. Title to the Equipment shall not pass to Lessee. This is not a sale. Lessee shall keep the Equipment free and clear of all levies, liens and encumbrances arising from Lessee’s debts. Lessee hereby states, and Lessee specifically acknowledges, that Vac2Go is not the manufacturer of the Equipment (nor the manufacturer’s agent or representative).
5. Lessee agrees to pay Vac2Go the rental amount specified in the respective Lease (the “**Rental Payments**”). Rental Payments are due and payable within thirty (30) days of receipt of an invoice. Lessee agrees to pay interest at the lesser of (a) 1.5% per month (18% per annum) or (b) the maximum legal interest rate on all delinquent Rental Payments until paid.
6. All taxes and license charges levied on, or assessed against, the Equipment leased under each Lease are borne by Lessee to the extent they arise from the leasing of the Equipment during the Term, including, but not limited to, IFTA (as defined below) related taxes and charges. Any taxes based on or measured by ownership of the Equipment will be paid by Vac2Go.
7. Lessee shall operate the Equipment only in the normal and ordinary course of Lessee’s business, and not in violation of any law, rule, regulation, statute, or ordinance. Lessee specifically warrants that Lessee has sufficient knowledge of, and is conversant with, federal, state and local laws, rules and regulations governing the operation and use of the Equipment. Lessee agrees, warrants, and acknowledges that it will fully comply with all such laws, rules and regulations. Lessee shall indemnify, defend, and hold Vac2Go harmless from and against all fines, losses, damages, forfeitures, seizures, confiscations, and penalties arising out of any violations of this provision.
8. Vac2Go may at all times inspect the Equipment and observe the Equipment’s use. Lessee, whenever requested by Vac2Go, shall advise Vac2Go of the exact location of all of the Equipment and the Equipment’s condition. Vac2Go may immediately remove any Equipment from any job site, building or other place, without notice or liability to Lessee, if, upon inspection, Vac2Go determines (in Vac2Go’s sole discretion) that any of the Equipment is being used beyond capacity, in any improper manner, or if the Equipment is being abused or not properly cared for.
9. Lessee shall inspect the Equipment upon receipt. Unless Lessee notifies Vac2Go in writing within 24 hours of receipt of the details of any defects, Lessee shall be conclusively presumed to have inspected the Equipment and accepted the Equipment in its then present AS-IS, WHERE-AS condition WITH ALL FAULTS.
10. Lessee acknowledges that the Equipment is suitable for the purposes for which it is leased. Except as provided in the previous Section, Lessee accepts the Equipment in its present AS-IS, WHERE-AS condition WITH ALL FAULTS. Vac2Go makes no warranties, express, implied, or statutory regarding the Equipment, and specifically disclaims any such warranties, including, but not limited to, the implied warranty of merchantability and/or the implied warranty of fitness for a particular purpose.
11. Lessee shall not incur any expense or liability for which Vac2Go is responsible without Vac2Go’s prior written consent. Vac2Go shall not be obligated to make any repairs or replacements to the Equipment. Thus, without limitation, Lessee, at Lessee’s sole expense, shall provide the following: (a) oil, lubricants, tubes, and all other operating supplies and accessories that are necessary for proper and efficient operation of the Equipment; (b) replacement tires, when necessary, for the Equipment, with such tires being new tires (i.e. not used) (any replacement tires shall become the property of Vac2Go immediately upon their attachment to any Equipment); (c) all maintenance and repairs (including, but not limited to, all labor and parts) according to the schedule provided by Vac2Go to Lessee; and (d) towing service necessary due to mechanical failure, tire failure, operator error or any breach of this Master Lease or any Lease.
12. If Lessee fails to perform any maintenance required hereunder within five (5) days of the occurrence of the need for maintenance, Vac2Go may, at Vac2Go’s option and without limitation, (a) perform such maintenance and Lessee shall repay the costs for such work incurred by Vac2Go immediately upon demand, or (b) terminate the respective Lease upon three (3) days prior written notice from Vac2Go to Lessee. Lessee shall make no alteration of any of the Equipment without Vac2Go’s prior written consent. Lessee, at Lessee’s expense, agrees to provide all fuel for the Equipment.
13. The cab of each rented truck will contain instructions regarding Diesel Particulate Filter (“**DPF**”) or “**Regen**” procedures. All truck models 2008 and newer require ultra-low sulfur diesel fuel. Lessee must periodically clean or regenerate the DPF to prevent excess soot buildup related to the truck’s After Treatment System (“**ATS**”). Lessee shall activate the ATS in accordance with such procedures. If the warning light indicates the need to activate the ATS, Lessee shall activate the ATS immediately. Lessee represents and warrants that it has read and understood the DPF/Regen procedures,

is knowledgeable regarding the DPF/Regen procedures, and will activate the ATS when appropriate. The truck will shut down if Lessee fails to initiate the ATS immediately following a warning indication. A shut down may result in costly towing and repair expenses. Lessee is responsible for all costs, fees, and expenses related Lessee's failure to initiate the ATS.

14. During Term and until Lessee has properly returned all of the Equipment to Vac2Go, Lessee, at Lessee's expense, shall carry and maintain, with insurers reasonably acceptable to Vac2Go and on terms satisfactory to Vac2Go, the following insurance: Commercial General Liability – \$1,000,000 per occurrence, with a general aggregate of \$2,000,000; Products – Completed Operations Aggregate – \$2,000,000; Automobile Liability – \$1,000,000; Excess/Umbrella Liability – \$1,000,000 each occurrence; Workers' Compensation/Employers Liability – E.L. Each Accident – \$500,000, E.L. Disease – EA Employee – \$500,000, and E.L. Disease – Policy Limit – \$500,000. **The insurance shall include Hired Car Physical Damage, Pollution Liability Endorsements, including Clean-up Costs.** Equipment must be insured for any loss or damage up to the full replacement value of the Equipment. Vac2Go shall be named as an additional insured on all such insurance policies, Vac2Go shall be the sole loss payee on any insurance policies relating to loss or damage to the Equipment, and the maximum deductibles amounts under all policies shall be \$5,000. With respect to all insurance provided for in this provision, Lessee and the insurer(s) shall waive any right of subrogation in connection with results or occurrences arising out of this Lease. Lessee shall furnish to Vac2Go, upon execution of the respective Lease and thereafter immediately upon request, certificates of insurance evidencing such insurance and such waiver and containing the provision that no cancellation or material change in the policies shall become effective except on at least thirty (30) days prior written notice thereof to Vac2Go. All blanket insurance certificates shall be updated annually.

15. Lessee shall notify Vac2Go immediately of any accident, collision or damages arising from the use of or otherwise involving any of the Equipment. Lessee shall make a detailed written report to Vac2Go concerning such incident as soon as practicable, by the most expedient means of communication available. Lessee further agrees to render any other assistance to Vac2Go and any insurer in the investigation, defense, or prosecution of any claims.

16. If during the Term (a) any item of the Equipment is stolen or disappears and is not recovered within thirty (30) days thereafter, or (b) any item of the Equipment is damaged by accident or otherwise to such an extent that it cannot economically be restored to good working order and condition, Lessee shall promptly pay to Vac2Go on demand, the fair market value of such items of Equipment based upon its condition at the commencement of the respective Lease (with due allowance for any salvage actually recovered by Vac2Go). Any insurance proceeds recovered by Vac2Go on account of such damage or loss shall reduce pro-rata the amount payable by Lessee under this section; any excess of such insurance over Lessee's liability hereunder shall be retained by Vac2Go.

17. Lessee shall defend, indemnify and hold Vac2Go (and Vac2Go's agents and employees), harmless from and against any and all claims, actions, losses, damages, liability and expenses, for loss of life, personal injury, or damage to property arising from or out of any occurrence connected with the ownership, maintenance, use, or operation of any of the Equipment regardless of whether such loss, injury or damage is caused by the sole negligence of Vac2Go, or the joint negligence of Vac2Go and any other person or entity. It is the expressed intention of the parties hereto, both Vac2Go and Lessee, that the indemnity provided for in this provision is indemnity by Lessee to indemnify and protect Vac2Go from the consequences of Vac2Go's own negligence, whether that negligence is the sole or a concurring cause of the loss, injury, or damage. Subject to the foregoing, Vac2Go's maximum liability, and Lessee's exclusive remedies for any claim or cause of action whether based on, including without limitation, contract, negligence, strict tort liability, is expressly limited to a total of \$5,000. Lessee could have negotiated a higher limit except that the negotiated Rental Payments would in such case be higher. In no event does Vac2Go assume, nor shall Vac2Go be liable to Lessee for any special, indirect, incidental, or consequential damages of any nature, arising out of, or in any way or manner in connection with, the leasing, maintenance, use, operation, storage, erection, dismantling, and/or transportation of the Equipment.

18. The following events, without limitation, shall constitute default under this Lease: (a) the nonpayment of Rental Payments within five (5) days after written notice of nonpayment from Vac2Go; (b) the nonperformance by Lessee of any other term, condition or covenant of the respective Lease that is not cured within five (5) days after notice of nonperformance from Vac2Go; or (c) in the event that Lessee becomes insolvent or files or has filed against it (voluntarily or involuntarily) bankruptcy proceedings.

19. If Lessee defaults on any Lease, Vac2Go may exercise one or more of the following remedies: (a) termination of each Lease and Lessee's rights under each Lease as to any or all items of Equipment; (b) a declaration that all due but unpaid Rental Payments and all other charges due under each Lease are due and payable immediately; (c) a declaration to accelerate all unaccrued Rental Payments, charges, and/or interest, and require the payment of all such amounts immediately; (d) repossession of the Equipment without legal process, free of all rights of Lessee in and to the Equipment; and (e) exercise any other right or remedy provided for in each Lease or under the applicable law, including the collection of attorney's fees, damages, expenses, and costs. By this provision, Lessee expressly authorizes Vac2Go or Vac2Go's agents to enter any premises owned or controlled by Lessee, or Lessee's agents and assigns, where any of the Equipment is located for the purpose of repossessing and removing the Equipment. Lessee specifically waives any right of action Lessee might otherwise have arising out of the entry and repossession, and releases Vac2Go from any claim for trespass or damage caused by reason of the entry, repossession, or removal. Any repossession of one particular item of Equipment under any Lease with respect to which Lessee is in default does not constitute a termination of any Lease as to any other Equipment, unless Vac2Go expressly so notifies Lessee in writing.

20. Except as otherwise agreed by Vac2Go, upon expiration or termination of the Lease, Lessee at Lessee's expense, must return the Equipment Vac2Go at Vac2Go's facility in good working order and clean condition (e.g., without any residue), reasonable wear and tear accepted. Lessee will be charged, and Lessee agrees to pay, for the repair of any broken or non-working items, items that have excessive wear and tear, and cleaning of Equipment required to restore the Equipment to its condition as of the date Lessee took possession. Lessee upon return of the Equipment shall also provide Vac2Go with copies of material safety data sheets for any products transported in the Equipment.

- 21.** Lessee agrees to pay all Rental Payments due, damages for any injury to the Equipment, cost of returning the Equipment to Vac2Go's possession (including repossession charges), and all reasonable freight, storage, transportation, and other charges incurred by Vac2Go caused by a breach of any Lease by Lessee, including without limitation, reasonable attorney fees, incurred in collecting amounts due from Lessee or in enforcing any rights of Vac2Go under this Agreement. The remedies of Vac2Go set forth in these Terms and Conditions are cumulative to the extent permitted by law and may be exercised partially, concurrently, or separately. The exercise of one remedy does not preclude the exercise of any other remedy. Lessee authorizes Vac2Go to charge, or debit, all Rental Payments as well as all costs and other such charges incurred by Vac2Go caused by a breach of any Lease by Lessee to Lessee's credit card, or bank account, as applicable, identified in this Master Lease or on file with Vac2Go.
- 22.** Subject to the International Fuel Tax Agreement ("IFTA") Mileage Reporting Requirements Addendum, Lessee is responsible all IFTA taxes and reporting requirements related to the use of the Equipment during the Term.
- 23.** Lessee is responsible for returning the Equipment with the same fuel level as Lessee received it. Failure to comply with this provision will result in a fuel surcharge billed to Lessee of not less than double the fuel price incurred by Vac2Go to refuel the Equipment.
- 24.** Lessee understands that it is illegal to use off-road or tax-exempt fuel in any Equipment designed for on-highway use and that any use of such fuel will be reported to the proper authorities immediately. If Lessee uses "off-road" fuel, Lessee shall be responsible for the full cost of draining the fuel tank, replacing the filters, replacing the fuel, and any associated labor or material costs.
- 25.** Lessee certifies that Lessee understands the methods of safe and efficient operation of the Equipment. If at anytime Lessee does not understand how to use the Equipment in a safe and efficient manner, Lessee will immediately shut down the Equipment and contact Vac2Go at (855) 822-7246 for information.
- 26.** Lessee certifies and agrees to comply with, and require all of its Equipment operators to perform in accordance with, the following guidelines. Lessee shall: Permit only qualified, licensed operators to operate or use the Equipment where the law requires; operate the Equipment pursuant to the manufacturer's operating instructions and user's safety rules which apply to each piece of Equipment; inspect and verify the Equipment for safe conditions before each use; notify Vac2Go immediately of any safety defects discovered; wear seatbelts where provided; display Lessee's DOT numbers on the Equipment, if applicable; acquire and use any auxiliary safety device that is recommended by Vac2Go or the manufacturer, required by law, or appropriate for the conditions of use; return the operator's manual when returning equipment; never use Equipment without guards or safety devices; never modify or alter the Equipment without written approval from Vac2Go; never operate Equipment where conditions endanger anyone; never use Equipment with known safety defects. If you have any questions about the above guidelines call Vac2Go at (855) 822-7246.
- 27.** Lessee may not assign any Lease or the Master Lease or any of Lessee's rights under any Lease or the Master Lease without the prior written consent of Vac2Go and Lessee may not sublease any of the Equipment, or permit others to use the Equipment, without the prior written consent of Vac2Go. Subject to the foregoing, each Lease and the Master Lease is binding on, and inures to the benefit of the contracting parties and their respective heirs, successors, legal representatives, and assigns when permitted by the Lease. Lessee must promptly notify Vac2Go in writing prior any substantial changes in ownership of Lessee or any material disposition of the assets of Lessee's business. Vac2Go may freely assign any Lease and the Master Lease without consent of Lessee.
- 28.** The provisions of each Lease and the Master Lease may be waived only by means of a writing that is signed by all contracting parties. No delay or omission by either party to exercise any remedy or right accruing on default impairs any remedy or right under the Lease. An express, written waiver by either party of any breach of any provision of any Lease or the Master Lease by the other party may not be deemed to be a waiver of the breach of any other provision or of any subsequent breach of the waived provision.
- 29.** All notices, consents, waivers, or other communications, except invoices, required under this Agreement must be sent by certified mail, return receipt requested, and will be deemed to have been given when mailed to the parties at their respective addresses as set forth on the Master Lease or when mailed to the last address provided in writing to the other party by the addressee.
- 30.** Each Lease and the Master Lease shall be governed by and construed in accordance with the laws of the Commonwealth of Kentucky, without regard to its choice of law principles. Any action or proceeding seeking to enforce any provision of, or based upon any right arising out of, any Lease or the Master Lease will be brought against either of the parties in the courts of the Commonwealth of Kentucky, County of Oldham, or, if it has or can acquire jurisdiction, in the United States District Court for the Western District of Kentucky, and each of the parties consents to the jurisdiction of such courts (and of the appropriate appellate courts) in any such action or proceeding and waives any objection to venue laid therein.
- 31.** The Master Lease, along with any attached schedule(s) or exhibits (including these Terms and Conditions and the IFTA Addendum), each respective Lease and any Vac2Go rental/lease forms are incorporated by reference and made an integral part hereof, and constitute the entire agreement between the parties with respect to its subject matter. All previous negotiations, understandings, or written or oral agreements have been merged in this Master Lease.
- 32.** The terms and conditions of Master Lease prevail notwithstanding any variance in any Lease from the terms and conditions of any other document relating to this transaction, whether prepared and submitted by Vac2Go or by Lessee. Modifications or amendments to any Lease or the Master Lease are valid only when made in a writing that is signed by all contracting parties. Oral agreements purporting to modify or amend any Lease or the Master Lease are void and of no effect.
- 33.** Time is of the essence in each Lease and the Master Lease and in each and all of its provisions. Without limitation, the warranties, indemnities, assumptions of risk, liabilities, and obligations of Lessee arising under each Lease and the Master Lease will continue in effect after the termination of the respective Lease and the Master Lease, regardless of the reason for termination. If any one or more provisions of any Lease or the Master Lease are held invalid, illegal, or unenforceable in any respect for any reason, the remaining provisions remain valid, binding, and effective as if the invalid, illegal, or unenforceable provisions had never been contained in the respective Lease or the Master Lease.

Exhibit B
IFTA MILEAGE REPORTING REQUIREMENTS
ADDENDUM

The terms and conditions of this International Fuel Tax Agreement (“IFTA”) Mileage Reporting Requirements Addendum apply to all Leases (as defined below) entered into pursuant to the Master Lease Agreement (the “**Master Lease**”) between Vac2Go, LLC (“**Vac2Go**”) and the party identified in the Master Lease as the “**Lessee**”. Pursuant to the Master Lease, Vac2Go agrees to lease equipment and/or vehicles (collectively, “**Equipment**”) to Lessee from time to time subject to and as evidenced in one or more lease agreement (each, a “**Lease**”).

Lessee shall pay all IFTA taxes and file all IFTA reports related to the use of Equipment during the Term of each Lease directly to the applicable governmental authority. Lessee’s responsibilities include, but, are not limited to, (a) reporting all mileage in each state in which Lessee drives and operates the Equipment; (b) reporting of all fuel purchased in each state in which Lessee drives and operates the Equipment; and (c) paying all taxes associated with the foregoing Lessee. Lessee represents and warrants that it understands its IFTA obligations and its obligations under the Master Lease, including, but not limited to, Section 21 of the Terms and Conditions attached to the Master Lease.

DPF / Regen Supplement to Master Lease Agreement

This Supplement supplements the Master Lease Agreement by and between Vac2Go, LLC and the undersigned Lessee. Capitalized terms used but not defined herein shall have the meanings assigned to such terms in the Master Lease Agreement.

The cab of each rented truck will contain instructions regarding Diesel Particulate Filter (“DPF”) or “Regen” procedures. All truck models 2008 and newer require ultra-low sulfur diesel fuel. Lessee must periodically clean or regenerate the DPF to prevent excess soot buildup related to the truck’s After Treatment System (“ATS”). Lessee shall activate the ATS in accordance with such procedures. If the warning light indicates the need to activate the ATS, Lessee shall activate the ATS immediately. Lessee represents and warrants that it has read and understood the DPF/Regen procedures, is knowledgeable regarding the DPF/Regen procedures, and will activate the ATS when appropriate.

The truck will shut down if Lessee fails to initiate the ATS immediately following a warning indication. A shut down may result in costly towing and repair expenses.

******* Lessee is responsible for all costs, fees, and expenses related to Lessee’s failure to initiate the ATS**

Please contact Vac2Go, LLC regarding any questions related to the DPF/Regen procedures. Lessee may reach Vac2Go, LLC by phone, fax or email at any of branch location.

By signing below, the undersigned acknowledges that the undersigned is authorized to sign this agreement on behalf of Lessee and that Lessee agrees to the foregoing.
